## Who are we?

34 Green Lane is the leading provider of serviced offices in Walsall. Designed and managed to the very highest standards, and supported by the latest technology, each space provides a high quality working environment tailored to your exact needs. Whether you're looking for a simple office base or corporate headquarters we offer you a flexible, adaptable solution for no capital outlay, leaving you free to concentrate on running your enterprise.

## What do we offer?

We are situated at the hub of the UK communication network, on the main A34, just outside Walsall. From a small office to a large open plan suite, we can provide exactly the space you require, available on flexible licence from 1 month up to many years. 34 Green Lane provides a contemporary, professional environment, backed by the support services that you want. You can choose from fully furnished to bare offices but all in a great environment.

## Why are we different?

The difference with the Enterprise Hub is our flexible approach and amazing value. The centre is managed by an on-site Centre Manager with the autonomy to make decisions from the ground up. We have a reputation for the friendliness of our welcome.
